The UNT Marching Percussion Camp is excited to welcome you to Drumline Town. Our mission is simple: to create an experience that is fun, educational, and unforgettable. Whether you are joining us for the first time or returning as part of our drumline family, you are stepping into something truly special.

From the first note of the day to the final rep at sunset, you'll be immersed in music—much of it your own. You will grow not only as a percussionist, but as a complete musician. Your hands may feel the work by day's end, but your mind will be sharper, your confidence stronger, and your passion even greater. Energy will fill the air, and a sense of anticipation will carry you through every rehearsal.

Set against the beautiful outdoor spaces of the UNT campus, our camp offers a rehearsal environment unlike any other. Here, you'll build lasting friendships, collaborate with outstanding young musicians, and learn through shared ideas, focused effort, and collective passion.

As a developing musician, you deserve an environment rooted in strong values, meaningful instruction, and a genuine sense of community—while never losing sight of the joy that makes music so powerful. Our staff is dedicated to providing leadership that is clear, knowledgeable, supportive, and deeply passionate about your success.

We invite you to join us in Drumline Town.
