Rooms need to be reset to their classroom set up after use.

# How to request a room for...

recurring weekly chamber music studies rehearsals/coaching & jazz sectionals – rehearsal w/accompanist (2 allowed before scheduled recital) or small ensemble rehearsal – meetings – self-recording – orals & defense

To begin, you will need to research available dates in ScheduleFM- using the *Select Building and Room* page. See the ScheduleFM manual for further instructions, located here: <https://music.unt.edu/scheduling>

Check each space in ScheduleFM. *You may not request when a class is nearby in a theory or third floor classroom that could be disturbed. Check all rooms nearby when looking for space to request in ScheduleFM.*

## **SAVE YOUR REQUEST**

Your event information will not save if any conflicts exist. If you checked ScheduleFM first, you should not have any conflicts. If you see a conflict then check ScheduleFM again to see what it may be for your room choice.

## **WHEN FINISHED CLICK “MAKE REQUEST”**

You will receive an email that your request is in process. Once your request is processed, you will receive another email from the scheduling office telling you how to proceed for final approval of your event.
